DIVERSITY FELLOWSHIPS

At Robbins Geller, we believe that recruiting lawyers from the broadest possible range of backgrounds isn't just the right thing to do – it's an imperative. The breadth of lived and professional experience among our professionals makes our Firm a stronger, more successful organization and has allowed us to better serve our global community of clients.

We are working to recruit the next generation of lawyers into the Firm. ***In 2023, Robbins Geller is pleased to offer 2L Diversity Fellowships*** to two exceptional law students with a demonstrated commitment to diversity, equity, and inclusion who will work in one of Robbins Geller's practice areas in the Firm's main office in San Diego, California. Fellows are paired with two mentors (a partner and an associate), who, in addition to the summer associate director, provide support and structured feedback on work assignments and guidance on law firm culture and social events throughout the summer.

Each 2L Diversity Fellow will receive a paid 2L Summer Associate position and a scholarship of up to \$30,000 to assist with law school tuition.*

** The 2L Fellows award will be paid in two installments. The first \$10,000 is paid upon successful completion of the*

2L summer with Robbins Geller. The remaining \$20,000 is paid after the Fellow receives and accepts an offer to join Robbins Geller as a full-time associate and commences their full-time associate position at the Firm, either as a first-year or post-clerkship. The awards will be taxable income to the recipients.
